Notes for Pilot for raising awareness and understanding of Enterprise Competencies

- Pilot with selected Year 7 class from SP recommendation
- Involve SP and all class teachers
- Invite staff to 1 hour induction session in directed time
- Schemes of work for Summer Term needed
- Rename 'competencies' as 'qualities' – more student friendly
- One quality focussed on each week
- Run for 7 weeks i.e. one half term – first half of Summer suggested
- Highlighted competence identified in WILF for that week
- Teachers highlight opportunities for development in SoW
- Students have a sheet to record achievement in the quality added to their planner
- Students claim award and teacher signs
- Introductory long registration for chosen class before Easter
- Signature on sheet = green slip for each one
- Reward for students who fill the grid
- Enterprise aim for each lesson with WILF objectives

Suggested Timetable

21st March– Staff INSET – HS, GN, SPR, LB plus teachers of chosen class

5th, 6th or 7th April – long registration or whole period with the class to introduce project – SP, Form Tutor plus ?
